United Way of Southeast Mississippi is a nonprofit that mobilizes financial and human resources to meet critical needs and to help ensure that over 170,000 in our area achieve their highest potential. We are fighting to strengthen our community by addressing the essential building blocks for success – education, financial stability and health. We stand as a unified partner in support of our 19 high-performing nonprofit agencies and lead many collaborative impact initiatives that support grade-level reading, graduation rates, financial stability and healthy living. United Way partners with over 100 companies, and wisely invests the contributions of over 4,000 donors to transform lives, families and entire neighborhoods.

By supporting United Way, you are helping to move the needle, making our community a place where everyone can thrive. We invite you to LIVE UNITED as we achieve maximum impact, deliver lasting results, transform lives, create positive change, and SOLVE IT TOGETHER for Southeast Mississippi.

United Way of Southeast Mississippi makes strategic investments in our community with the ultimate goal of improving people’s lives, both by helping individuals and by creating lasting, community-level change. Our strategies include leading cross-sector collaborations, advocacy for public policy changes, and funding direct services and programs provided by partners agencies in our area.

THE FOCUS

United Way of Southeast Mississippi is fighting to improve quality of life through the education, financial stability, and health of everyone in our community. We work collaboratively to ensure that children succeed in school, individuals lead healthy lives, and everyone has the opportunity to achieve financial well-being.

THE IMPACT

United Way has the cope, expertise, and influence to bring together human service agencies, government, businesses, private foundations, and dedicated volunteers around a common vision of creating maximum impact and achieving long-lasting results.

- We identify, understand, and prioritize ongoing and emerging human service needs.
- We recruit the people and organizations who bring the passion, expertise, and resources needed to get things done.
- We are trusted by our partners and the community because we ensure transparency, efficiency, and accountability in our work.
