

# Where do United Way donations go?

## For every dollar...

**87 cents is sent directly to local nonprofit agencies and programs in Forrest, Lamar, Marion and Perry Counties.**

**12 cents contributes to administrative fees to further support local agencies and programs.**

**1 penny goes to United Way Worldwide.**

### Why Worldwide?

United Way Worldwide provides training and assistance for our United Way's operations. Furthermore, the United Way brand gives us access to fundraising campaigns in many large companies such as AT&T, FedEx, Kellogg & UPS. These funds then get invested in our local community.
