for
children
K-3

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>Learning doesn't end with the school year! Help your child continue to learn with these daily fun & interactive activities!</p>					<p>Take your child to check the mail. Have them count each item in the mailbox and read your mailing address out loud. 1</p>	<p>Challenge your child to find the following in the house: 2 red items, 2 blue items, 2 yellow items and 2 green items! 2</p>
<p>Experiment! 3 Soak a couple pennies in a cup of Coca-Cola overnight. Tomorrow morning ask your child how the pennies have changed.</p>	<p>Move Monday! 4 Challenge your child to count out loud and do 40 jumping jacks! Siblings can compete to see who can do more!</p>	<p>Take a break from the heat! 5 Ask your child to use their imagination to draw a picture of summer in the North Pole. Is it hot or cold? Are there polar bears and penguins?</p>	<p>Show your child how to check the weather. Have them draw a picture of what a summer rain storm looks like. 6</p>	<p>On a piece of paper, have your child write as many words as they can that rhyme with the word "AT". 7</p>	<p>Help the World! 8 Go outside with your child and pick up some trash to make your home and neighborhood a beautiful place!</p>	<p>On a piece of paper, have your child write down or draw what they want to be when they grow up. 9</p>
<p>Using only a circle, 10 challenge your child to draw as many animals as they can! Encourage them to use color and add details!</p>	<p>Move Monday! 11 Turn on the radio & set a timer for 11 minutes. Challenge your child to dance until the time goes off. Feel free to join the dance party!</p>	<p>Help your child write a make believe story using these words: 12 kingdom, river, balloons, ball gown.</p>	<p>Free Festival South Event 13 Take your child to hear a professional harpist and make their own stringed instrument at the Hattiesburg Library! Event starts at 10AM.</p>	<p>On a piece of paper, get your child to draw 14 14 dozen cookies. Ask how many cookies make 1 dozen? If you have the ingredients, make cookies with them!</p>	<p>Free Festival South Event 15 Let your child be enchanted by magic and wonder at Artie Reads: Tales of the Arabian Night at Oak Grove Community Center. Event starts at 10AM.</p>	<p>16 Help your child draw a triangle around all of the odd numbers on this calendar! </p>
<p>Help your child write down the names of 10 family members or friends. Make sure they capitalize the first and last name. 17</p>	<p>Move Monday! 18 Take your child to play at the park! Between Petal, Hattiesburg and Oak Grove, there are so many to choose! Visit unitedwaysems.org/trails to find one near you!</p>	<p>Help your child write down foods that are sour and foods that are sweet! 19 Have them put a star next to their favorite food and write a sentence about why they like it.</p>	<p>Using their shoes, help your child measure the length of their bed. Measure again using your shoes to see the difference. Have them draw a picture & write "My bed is ___ shoes long" (with the answer). 20</p>	<p>Brainstorm with your child other words for TOSS? Have them list as many words as they can. 21</p>	<p>Fire Safety! 22 Help your child draw a map of your home. Talk to them about how you would leave your home if there's a fire. Draw a star on the map where the smoke detector is located.</p>	<p>The state flower of Mississippi is a magnolia. Go explore with your child, see if you can spot a magnolia tree! 23</p>
<p>Experiment! 24 Fill a cup with water & put an egg in it. Ask your child if the egg floated or sank. Take the egg out of the water, add 10 shakes of salt, & put the egg back. What happened?</p>	<p>Move Monday! 25 Challenge your child to hop on their left foot and count to 25 then switch and do the same thing on the right foot! After they're done, help them add the two numbers together, 25 + 25 = ____.</p>	<p>In your pantry and refrigerator; help your child find two things that start with a /s/ sound, like syrup. Then look for two things that have the /b/ sound, like banana. 26</p>	<p>27 June 27, 2018 On a piece of paper, help your child write out today's date in word form.</p>	<p>Help your child draw these four types of land: mountains, beach, ocean and plains. Make sure to label each. 28</p>	<p>Fun Friday! 29 Lay down a blanket inside your home, pack a lunch and have a picnic with your child! Kick back and watch a movie or play a board game together!</p>	<p>Last Day! 30 Help your child make a list of 5 goals they want to accomplish in July. Hang the goals somewhere where they can see them every day.</p>
