### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

(a nonprofit organization) and its wholly-owned subsidiary United Way Home Sweet Home, LLC as of March 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

The consolidated schedules of payments to participating agencies and property & equipment-allowance for depreciation are presented for purposes of additional analysis and is not a required part of the financial statements. ### NOTE 1 – DESCRIPTION OF THE ORGANIZATION

United Way of Southeast Mississippi, Inc. (a nonprofit organization) and its wholly-owned subsidiary United Way Home Sweet Home, LLC (the Organization) was formed for the purpose of performing voluntary services for various segments of society. The Organization is tax exempt, supported by the public and operated on a nonprofit basis. The Organization derives its revenue primarily from voluntary contributions from the general public. The contributions are used for general or specific purposes connected with health, welfare and community service.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Accounting**

The consolidated financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

### **Income Taxes**

United Way of Southeast Mississippi, Inc. is a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code. Federal law requires the filing of Form 990, Return of Organization Exempt from Income Taxes, for informational purposes. The Organization files its income tax return as a consolidated group with its wholly-owned subsidiary, United Way Home Sweet Home, LLC. The Organization's tax returns are subject to examination by the IRS, generally for three years after they were filed. With few exceptions, the Organization is no longer subject to United States federal, state or local examinations by tax authorities for years before 2017.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Cash and cash equivalents

The Organization's cash consists of cash on deposit with banks. Cash equivalents represent money market funds or short-term investments with original maturities of three months or less from the date of purchase, except for those amounts that are held in the investment portfolio, which are invested for long-term purposes.

### **Investments**

Investments consist of marketable equity securities with readily determinable fair values. All investments are categorized as available for sale and are reported at their fair values based on quoted prices in active markets (all Level 1 measurements) in the Statement of Financial Position. Investment income and gains not restricted by a donor are reported as increases in net assets without donor restrictions in the reporting period in which the income and gains are recognized on the Statement of Activities.

### **Property & Equipment**

Property & Equipment is stated at cost or donated value less accumulated depreciation. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets. Estimated useful lives are indicated below:

Buildings 39 years
Building improvements 10-15 years
Furnishings and equipment 5-7 years

### **Functional Allocation of Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. The majority of expenses can be directly identified with the program or supporting services to which they relate and are charged accordingly. Other expenses have been allocated among program and supporting services based on the time and effort by the Organization's staff.

### Reclassification

Certain reclassifications have been made to the 2020 financial statement presentation to correspond to the current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Annual Campaign, Pledges Receivable, Designations, and Provisions for Uncollectible Pledges

The Organization conducts an annual campaign to raise funds to support various social service agencies. Pledges received from individuals and businesses are recorded as revenue and as a receivable upon receipt of the pledge, and an allowance is provided for amounts estimated as uncollectible. Included in these pledges are contributions designated by donors for other nonprofit organizations, for which the Organization serves as primary fiscal agent in the solicitation and distribution of such pledges, net of related administrative fees. These pledges are included in campaign support and are deducted as donor designations in the statement of activities to arrive at net campaign support.

The provision for uncollectible pledges is computed based upon historical averages and management's consideration of current economic factors that could affect pledge collections.

### **Donated Materials and Services**

Donated materials and equipment are reflective as revenues in the consolidated financial statements at the estimated fair values at the date of their receipt. Amounts have not been reflected for donated services, as no objective basis is available to measure the value of such services. However, a substantial number of volunteers have donated significant contributions of time in the Organization's program services and in its fundraising campaigns.

During the fiscal years ended March 31, 2020 and 2019, the Organization had non-cash donations of \$6,196 and \$22,745, respectively. These contributions consist mostly of advertising expenses and office equipment.

### **Estimates**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Management makes estimates in the calculation of allowance for uncollectible pledges and the useful life of property & equipment used in the calculation of depreciation expense.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Fair value measurements

Fair value is defined as the price that would be received to sell an asset in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. Fair value should be based on the assumptions market participants would use when pricing an asset. US GAAP establishes a fair value hierarchy that prioritizes investments based on those assumptions. The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an entity's assumptions (unobservable inputs). The Organization groups assets at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are:

- Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.
- Level 2 Other observable inputs, either directly or indirectly, including:
  - Quoted prices for similar assets/liabilities in active markets;
  - Quoted prices for identical or similar assets in non-active markets;
  - Inputs other than quoted prices that are observable for the asset/liability; and,
  - Inputs that are derived principally from or corroborated by other observable market data.
- Level 3 Unobservable inputs that cannot be corroborated by observable market data.

### **Principles of Consolidation**

The consolidated financial statements include the accounts of the Organization and its wholly-owned subsidiary, United Way Home Sweet Home, LLC, which was organized on July 7, 2012, by the Organization. All material inter-company accounts and transactions have been eliminated. The purpose of United Way Home Sweet Home, LLC is to receive the proceeds from raffle ticket sales and to disburse the related expenses from the home raffle. The assets and liabilities are consolidated with the Organization's consolidated statement of financial position. For the year ended March 31, 2020, United Way Home Sweet Home, LLC did not have any assets, liabilities or net assets reported on the consolidated statement of financial position. As of March 31, 2019, United Way Home Sweet Home, LLC had total cash (current asset) and net assets without donor restriction of \$965 consolidated on the statement of financial position.

The revenue and expenses are consolidated with the Organization's consolidated statement of activities as other income. For the years ended March 31, 2020 and 2019, United Way Home Sweet Home, LLC did not incur any related income or expenses.

### NOTE 7 – RISKS, UNCERTAINTIES AND CONCENTRATIONS

Cash Deposits – The Organization maintains cash balances at several institutions. Accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. The Organization was underinsured by \$159,383 and \$100,221 at March 31, 2020 and 2019, respectively.

Marketable Securities – Marketable securities and other investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and those changes could materially affect the Organization's net assets.

Pledges Receivable – Concentrations of credit risk with respect to pledges receivable are primarily due to the large number of contributors comprising the Organization's contributor base which are located in the southeast region of Mississippi.

In accordance with ASC 855, the Organization evaluated subsequent events through August 26, 2020, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements. As a result of the spread of the COVID-19 Coronavirus and the resulting stay-at-home orders issued by the Mississippi Governor in which the Organization operates, the Organization is experiencing reduced contributions. The duration of the reduction in contributions may be only temporary. However, the related financial impact and duration cannot be reasonably estimated at this time.

### NOTE 10 – SUBSEQUENT EVENTS (CONTINUED)

Subsequent to year end, the Organization applied for and was approved a \$58,747 loan under the Paycheck Protection Program created as part of the relief efforts related to COVID-19 and administered by the Small Business Administration. The loan accrues interest at 1%, but payments are not required to begin for six months after the funding of the loan. The Organization is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. The loan is uncollateralized and is fully guaranteed by the Federal government.
