United Way
of Southeast Mississippi

WHAT IS A LEADER?

Leaders are those who take action to make a positive change and lead others to do the same.

Our leaders are individuals who fight to improve health, education and financial stability for every person in our community with a gift of \$1,000 or more. They are generous, committed and know that change doesn't happen alone.

“In my seven years of involvement with United Way of Southeast Mississippi, I’ve come to realize this organization isn’t just a charity – it’s a catalyst for change in our community. United Way partners with agencies and programs that are working to tackle the most pressing issues, with a drive for positive results. It’s because of that accountability that I trust my dollars to United Way of Southeast Mississippi.”

Shawn Harris

Chair, 2017 Board of Directors

Vice President | Commercial Banking
Regions

"We love our community. We are invested in the well-being of its people. However, there are issues that none of us can tackle on our own. United Way bridges the gap between people and agencies and helps provide the resources to ignite change. This is why I support United Way of Southeast Mississippi."

Greg Hodges

Chair, 2017 Resource
Development Committee

Senior Vice President
Hancock Bank

"I was taught that giving back to your community is a must. As leaders, it's our responsibility to give our time, talents and resources to help improve our home. If we don't, who will?"

Traci Rouse

Chair, 2017
Communications Committee

Vice President of Marketing
Merit Health Wesley

UNITED WE WIN

United Way fights for the health, education and financial stability of every person in every community.

We win by Living United. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. And by inspiring individuals to join the fight against their community's most daunting social crises.

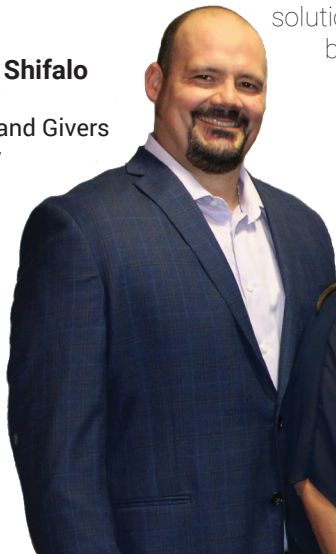

**THANK

Your gift brings hope and opportunity to so many.

Thank you for the unwavering support. Your gift means United Way can continue on the path to sustainable, positive change and better lives for people right here at home.
